

Dear Sirs

I am writing to express my interest in the above position. As a qualified accountant with the ACCA (FCCA achieved in 2005) and extensive experience across various industries, I believe I am well-suited for this role. Currently, I hold the position of CFO & Ex. Director at a start-up EMI (FinTech) and have also worked extensively in the Gambling & FX industry (Fintech), managing financial matters for regulated and non-regulated brokers / EMI's.

Throughout my career, I have served as Group CFO for a diverse range of companies, including automotive (motor vehicles & motorcycles), tyres/batteries, plant/machinery, manufacturing, FMCGs, property management, property development, and several smaller enterprises. Additionally, I have worked as a Business Analyst, specializing in ERP systems analysis, design, and implementation. Furthermore, I have gained auditing experience with a top 15 UK Audit firm, primarily focusing on audits of Lloyd's Syndicates, re-insurance brokers, charities, and automotive dealerships.

My involvement with the Board of Directors and CEOs has provided me with excellent general management skills, encompassing day-to-day operations as well as strategic planning. I have also developed a global perspective through my recent exposure to international countries such as the USA, LATAM, CIS, Middle East, Asia, and Africa. This exposure has allowed me to handle various aspects including company setup, taxation, audits, and legal matters. I am highly adept at problem-solving and thrive under pressure. With my experience spanning multiple industries, I am confident in my ability to apply my skill set to any challenge. I approach problem-solving from a holistic perspective, understanding that focusing solely on the "numbers" does not provide a complete picture or solution.

I have also gained direct exposure to local and EU grant applications, such as Horizon 2020 of the EU.

Upon reviewing my attached CV, you will find that I possess all the fundamental qualifications and much more to excel in this role. Furthermore, my wealth of experience will undoubtedly add value to both the position and the organization. Should you require any additional information or wish to arrange an interview, please do not hesitate to contact me using any of the means below.

Expected Salary: Open to serious offers for my experience and skills. Current package: EUR 100,000.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Regards

George L Haralambous FCCA CAT
